Product Description: Combo Meal - Natural shelled English walnuts. This product is comprised solely of clean, California grown walnuts which meet the USDA standards and inspected by the DFA of California. The nuts are processed and packaged in accordance with the Good Manufacturing Practice (GMP) under sanitary conditions and in compliance with USDA, FDA, and FSMA guidance. Unless otherwise specified, product is farmed conventionally. 100% organic walnuts are available for most sizes and specifications. Poindexter Nut is certified by the CCOF.

Deviations in technical specification of size and color are available to customers on approval from Poindexter Nut Company. Technical assistance is available upon request.

| | |
